5.03 *Approval Procedure.*

(b) Unless any deviation from, violation of, or nonconformity with these Covenants is specifically described in a separate writing included with the Plans, no approval of, or failure to disapprove, any submitted Plan shall constitute a waiver of any of these Covenants.

(c) The Developer shall have the right, but shall not be obligated, to approve a variance from these Covenants which does not, in the sole reasonable judgment of Developer, violate the spirit and intent of these Covenants. No such approval shall be binding unless in writing signed by the Developer.

5.04 *Effect of Approval.*

(a) After approval of the Plans by Developer, no deviation shall be made during construction which would change the scope of the Home or Improvements or alter their exterior or visible quality or appearance without the prior written approval of Developer.

(b) Once the Owner has complied with the requirements of this section and the Developer has approved Plans in writing for a Home or other Improvement and such Home or Improvement has been constructed in conformity with such Plans, the approval shall not be withdrawn and such Home or Improvement shall thereafter be deemed to be in compliance with these Covenants as then in effect or thereafter amended.

5.05 *Drainage and Topography.* Each Lot Owner shall be solely responsible, at the Owner's expense: (i) for taking all action and executing all documents to comply with all erosion control and drainage laws, rules and ordinances; (ii) for connecting to any sump pump collection system for the Development or a portion of the Development that includes the Owner's Lot; (iii) for inspecting the Lot and adjoining Lots as to all drainage patterns and issues; (iv) for causing all construction and grading to be accomplished so as to avoid altering city-approved drainage of the Lot in a manner that is detrimental to any other Lot; (v) for avoiding any landscaping, grading, modification, improvement, addition, installation, topographical change or other activity or construction that alters city-approved drainage patterns, flow or plan to the detriment of any other Lot; (vi) to indemnify, defend and hold the Developer and its successors and assigns harmless from and against all claims, demands, actions, liability, damages, costs, fees and expenses including attorney's fees and expenses arising directly or indirectly from the Lot Owner's breach of any obligation hereunder. In the event of a violation of this requirement, the Developer may cause the completion of such omitted items at the Owner's expense upon 30 days prior written notice to the Lot owner and any mortgagee. Such expense shall be a lien on the Lot, Home and Improvements prior to any mortgage or other lien recorded after these Covenants.

(c) Any damage to, defacing or destruction of roadways, curbs, gutters, properties and adjoining Lots and Home and Improvements thereon, including Landscaping, caused by such construction activity shall be promptly repaired at the sole expense of the constructing Lot Owner.

Such exteriors shall be maintained and renewed or replaced as necessary to keep them consistent with the Plans originally approved by the Developer. The color or finish of exterior surfaces shall not be materially changed except upon the prior express written approval of the Developer.

6.02 *Landscaping.* All yards shall be maintained in a neat and adequate manner, which shall include regular mowing of lawns, trimming of hedges, fertilizing, watering when needed, removal of weeds from planted areas, replacement of all plant material and trees included in any approved Plan.

6.04 *Trash, Etc.* No trash, debris, rubbish, litter or other objectionable materials ("Trash") shall be permitted on any Lot, except as stored for removal and conformity with these Covenants. No open burning of Trash shall be permitted. Use of any incinerator must have the prior express written consent of the Developer. Each Lot Owner is responsible for keeping other Lots and Common Property free of Trash originating from the Owner's Lot. Any necessary cleanup expense shall be reimbursed by the neglecting Owner.

6.05 *Damage.* All Homes, structures, Landscaping and other improvements that are damaged by the elements, by fire or other casualty or occurrence, or by vehicles or human cause shall be repaired or completely demolished (and the Home site on the Lot leveled) as promptly as possible.

6.06 *Expense.* The maintenance of each Lot in conformity with these Covenants shall be the sole responsibility of each Owner, jointly and severally, of each Lot at each Owner's sole expense. No occupation or tenancy of any Lot or portion thereof by any third party shall relieve any Owner of its responsibilities hereunder.

6.07 *Easements.* Each Owner of each Lot in the Development shall at his own cost and expense keep and preserve that portion of all easements and rights of way within his own property line at all times in a good condition of repair and maintenance and neither erect nor permit erection of any building or structure of any kind, nor permit any growth or accumulation of any kind, within said easement which might interfere in any way with the proper maintenance, use, operation, repair, reconstruction and patrolling of any of the utility services located therein.

VII. Common Properties

7.01 *Designation.* The Developer may from time to time designate portions of the Development as Common Properties to be held for the use and benefit of all Owners, their employees and invitees in the Development and others as may be determined by the Developer. Common Properties may be held by the Developer in fee simple, by easement or in any other manner approved by the Developer, or may be dedicated in whole or in part to the City of Sioux Falls or other appropriate government agency.

7.02 *Description.* Common Properties may include streets, walkways, detention ponds and other drainage structures, medians, Landscaping, signs, gates, boulevards, parks, common meeting facilities, benches, trash receptacles, lighting, maintenance equipment and storage facilities or other real or personal property like or unlike any of the foregoing intended by the Developer for the common good and benefit of all Lots or the Development generally.

7.03 *Additions or Removal.* The Developer may add to or may remove from the Common Properties from time to time as it determines in its sole discretion. No platted Lot identified for purchase shall be considered Common Property except upon written consent of all Owners.

7.04 *Maintenance.* The Developer shall have the authority to maintain all Common Properties in a manner consistent with maintenance obligations imposed upon Owners of Lots; provided, however, that the Developer may for such purposes delegate such obligation or contract with any private third party or governmental authority, all subject to the obligations of Owners to pay their proportionate share of such expenses. The Developer shall have no obligation for maintenance of any Common Property dedicated to public use.

VIII. Assessments

8.01 *Imposition.* Each Owner and each Lot, Home and Other Improvements shall be subject to monetary assessments in proportion to Lot size for all taxes, maintenance and expenses applicable to the Common Properties and for the expenses of enforcing these Covenants.

8.02 *Procedures.* Notice of the levy of all assessments shall be given to each Owner no more frequently than monthly or may be given by posting a brief written notice of the assessment in some visible place on the Lot or otherwise as provided by the by-laws of the Association. Each assessment shall become due and payable upon the date set forth in the notice which shall not be less than 30 days after the date of such notice. From and after the payment due date, the assessment shall bear interest at the highest legal rate.

8.03 *Lien.* Each assessment, with interest and attorney's fees and costs in enforcing payment, shall constitute a lien on each affected Lot, and the Developer may file with the real estate records for such property an appropriate written notice of such lien. Such lien shall be junior to any prior recorded, valid, binding and enforceable mortgage.

IX. Right of Repurchase

9.01 *Construction Delay.* If, after the expiration of 18 months from the date of the original fee simple conveyance by the Developer of any Lot within the Development, any Owner (or anyone claiming under such Owner) shall not have commenced diligently and in good faith to construct an acceptable Home and Improvements upon such Lot, in conformity with these Covenants, the Developer may, within a 2-year period thereafter, at its option, require the Owner to recover the Lot to the Developer, free and clear of all liens, charges, encumbrances, tenancies and other title exceptions. Any party claiming an interest in such Lot, including any mortgagee or other encumbrance, shall take subject to the provisions of this paragraph, and any interest in the Lot claimed by such parties, shall be fully subordinate to the rights of the Developer hereunder. At any time, however, the Developer may extend, in writing, the time in which such Home and Improvement will be commenced.

9.02 *Price.* At closing of such repurchase, the Developer shall refund to the Owner the original purchase price less any damages sustained by the Developer due to the Owner's failure to comply herewith, including attorney's fees, and any sums otherwise due the Developer hereunder. Upon tender of payment, the Developer may enter into sole possession of the repurchased Lot.

9.03 *Enforceability.* Such right to repurchase shall be an additional material consideration to the Developer for conveyance of any Lot. No deed or contract for sale shall supersede, eliminate or extinguish by merger the Developer's rights hereunder, regardless of whether notice of this right is included in any such contract or deed.

X. Authority and Remedies

10.01 *Developer's Authority.* The Developer shall have the authority and discretion to:

- (a) exercise authority explicitly granted to the Developer elsewhere in these Covenants;
- (b) enforce these Covenants by resort to legal and equitable remedies described elsewhere in these Covenants, the expenses and costs of which shall be paid or reimbursed by assessments;

(c) interpret these Covenants, to establish rules and regulations of further specificity for implementation and enforcement of these Covenants; and to grant variances, waivers or approvals in instances determined by the Developer in its reasonable discretion to be consistent with, or not violative of, the spirit and intent of these Covenants;

(d) establish rules and regulations for use of Common Property and standards for maintenance of Common Property; to levy assessments against the Lots for purposes permitted by these Covenants; to maintain bank accounts and make deposits and debits to such accounts for the same purposes as assessments are permitted hereby;

(e) exercise all powers, rights and remedies now or hereafter granted to a developer by city ordinance with respect to planned development districts generally or to any such district comprising or including the Development;

(f) exercise all powers and remedies necessary or desirable to carry out the spirit and letter of these Covenants, even though such powers and remedies are not specifically granted herein;

(g) amend, supplement, vacate, terminate or replace these Covenants from time to time as to Lots or unplatted portions of the Development for which record title has not been transferred by the Developer;

(h) delegate or assign the Developer's authority under these Covenants; provided, however, that no deed, lease or other record instrument or document shall constitute any such delegation or assignment unless it expressly so states.

10.02 *Limitations on Enforcement by Others.* No family member, occupant, invitee, agent, contractor or employee of any of the foregoing shall have any right, individually or in concert with any others, to enforce these covenants; but, instead, these Covenants may be enforced solely by the Developer or any Owner unless otherwise permitted by the Developer in the exercise of reasonable discretion.

10.03 *No Liability.* The Developer shall not be liable for damages to any Owner or any other person or entity whomsoever as is affected by these Covenants, by reason of mistaken judgment or interpretation, negligence, omission or nonfeasance or arising out of or in connection with the exercise or failure to exercise any authority, right or remedy under these Covenants.

10.04 *Remedies.* Upon violation or threatened or expected violation of any of these Covenants, the failure to make any payment or perform any obligation or covenant hereunder, the Developer may, as against the Owner or any other person or firm causing or liable for any such violation or breach:

(a) Cure any such default, make any such payment or perform any such obligation or covenant and recover as damages all costs, fees and expenses, including attorney's fees, relating to the same;

(b) Obtain any court order or judgment to enjoin or restrain the same, before or after its occurrence, it being expressly agreed and understood that every act, omission to act, or condition which violates or likely will violate these Covenants shall constitute a nuisance;

- (c) Exercise any other right or remedy available at law or in equity;
- (d) Recover all attorney's fees and expenses in the enforcement of the foregoing.

10.05 Cumulative Remedies. All rights, remedies, authority and powers shall be cumulative and not exclusive. No failure to enforce any discretion, right or remedy in any instance as to any Owner shall estop the Developer or constitute a waiver, as to enforcement in any other instance or as to any other Owner.

XI. Duration, Scope and Binding Effect

11.01 Duration. These Covenants shall run with the land for a period of 25 years from the date of recordation with the Minnehaha County Register of Deeds and thereafter shall be of no further effect unless the Owners of not less than 3/4 of the Lots in the Development by recorded declaration or agreement alter, amend or extend any one or more of these Covenants; provided, however, that so long as the Developer shall own any Lot or portion thereof, the consent of the Developer shall also be required. The mere lapse of time shall not affect or alter the application of this section.

11.02 Superiority. These Covenants shall be deemed prior and superior (except as described in Section 8.03) to all mortgages, contracts for deed, options, leases and other instruments hereafter executed with respect to any land subject to these Covenants and shall survive any foreclosure, transfer, trust, devise, intestate succession, platting, replatting or vacation of a plat, and shall be fully binding upon all successors, assigns and transferees to the same extent as any original Owner.

11.03 Nonwaiver. The failure of the Developer, or other party entitled to enforce these Covenants, to take any action to enforce any of these Covenants or to enjoin their violation shall in no event, regardless of passage of time, be deemed an estoppel or waiver of its right to subsequently do so, nor shall it be deemed a waiver of any subsequent default or violation or the continuation of any existing default or violation.

11.04 Invalidation. Invalidation of any part or parts of these Covenants by court action or otherwise shall in no way affect any other provision which shall remain in full force and effect.

11.05 Additional Land The Developer may from time to time subject other lands to these Covenants by the execution and recordation of an instrument so indicating, which also describes land to be added and a statement of, or identifying reference to, the covenants to which such land is subjected together with any other additional restrictions, if applicable.

11.06 Amendment. These Covenants may not be amended or modified by any party other than Developer without the Developer's prior express written consent unless (i) the Developer has made a record delegation or assignment under Section 10.01(h); (ii) the Developer has sold all Lots and, if applicable, all unplatted portions of the Development; or (iii) the Developer has delegated such authority to an owners' association created under

§13 of these Covenants. Subject to this provision, these Covenants may not be amended in any way that applies to sold Lots without consent of the Owners of 3/4 of all platted Lots in the Development. Each Lot shall be separately counted even though the same party or parties may own more than one Lot.

XII. Notices

12.01 Methods. All notices, consents, approvals or other communications (a “Notice”) required or permitted to be given hereunder shall be in writing and shall be deemed to have been properly given if delivered personally or by courier or sent by regular, registered or certified mail, postage prepaid, or email if the recipient of the Notice has agreed to receive Notices by email and provided an email address for such purposes.

12.02 Addresses. Notices to the Developer, notwithstanding anything herein to the contrary, shall be delivered to the address described below. Notices to any Owner shall be sent or delivered to the address specified in the deed from the Developer to the Owner or at such other address, including email address, as is furnished to the Developer in a Notice complying with the requirements of this section or to the street address of the Lot. Any party may change the address to which Notices are to be sent or delivered by giving Notice in a manner complying with this section. The Developer shall not be bound by any change in record ownership of any Lot until it has been given Notice of such change.
